LOGISTICS SERVICES DIVISION
WEEKLY REPORT
PERIOD ENDING 7 SEPTEMBER 1983

I. Progress Report on Tasks Assigned by the DCI/DDCI:

25X1

No items this reporting period.

II. Items/Events of Major Interest:

25X1

b. Transportation: Transportation is being provided to the Chief, Near East Division on weekends and after hours for a group of students in the Laurel, Maryland, area.

25X1

c. Renovations at Headquarters Building: With regard to the HSTS expansion in Room GD45, the masonry work has been completed, and the carpenters have installed the double doors and dead bolts so that the integrity of the vault will remain intact. The carpenter shop started removing the internal VTR walls on 6 September and will begin to install the dust barrier during this portion of the renovation.

The plumbers are still installing the chilled water line in the hallway outside Rooms 3G13/19, Office of Global Issues. The carpenters started the office renovation last week, and the electricians are scheduled to start their work on 7 September.

25X1

New Spectrum Electric, Inc., the GSA contractor started the masonry portion of the thirteenth electrical closet located in Room 1B4004 on 6 September 1983.

25X1

d. Executive Furniture Handbook: Photographs and data for inclusion in a handbook of executive furniture were turned over to the Design and Presentations Center, P&PD/OL, on 1 September. Included are color pictures plus guidelines, descriptions, and pieces which have all been entered into ICS.

25X1

e. Exhibit Hall: The Library of Congress exhibit "Artists for Victory" was removed on 1 September. A photographic essay of Latin America in conjunction with the EEO Hispanic Heritage Program is being posted on 7 September.
